

Event 101 Obstacle Course (DENNER INSTRUCTIONS: OBSTACLE COURSE COMPETITION)

Please read all of the Denner Instructions prior to beginning the obstacle course event.

Welcome to the Obstacle Course!

1. Here you will demonstrate your speed and determination by running, balancing, jumping, wriggling, rolling, crawling and whatever type of physical test the Obstacle course may present.
2. This is a timed event and may have point deductions applied depending upon the type of obstacle being performed. Intentionally skipping an obstacle will result in a 20 second deduction for each obstacle intentionally skipped.
3. The event is run in a relay-style and your Patrol will line up behind the start line, and when given the signal one member will run through the obstacle course.
4. When one Patrol member finishes the course, the next member will begin racing.
5. Every Patrol member will be required to run the course.
6. Scores will be calculated by the average of all Patrol members' scores.

Ask any questions that you may have prior to doing handing back the Denner instructions to the Troop Competition Judge.

Event 102 BSA 101 –(DENNER INSTRUCTIONS: BSA 101)

Please read all of the Denner Instructions prior to beginning the obstacle course event.

Welcome to the BSA 101!

1. This event will test your knowledge of Boy Scouting and over 100 years of history.
2. This event will be run like a relay. One at a time, your Patrol members will run from the start line to the question station and be asked a BSA 101 question.
3. If you he answers the question correctly, he will run back to the end of your Patrol line and the next member will race to the question station.
4. If the Patrol member incorrectly answers the question, he will be asked to perform the “bat twist” (put their forehead on a bat and turn around three times) and then run back to the end of the Patrol line.
5. When one Patrol member finishes the course, the next member will begin racing.
6. Each Patrol will randomly be asked a set number of questions.
7. After the last question is asked and the last member of the Patrol has returned back to the Patrol, the entire patrol will be asked one bonus question worth extra points for the event. The Patrol will be given 30 seconds to discuss and then the answer must be given.
8. The total number of correct answers will be tallied along (plus extra points for the bonus question) with the total time required to run the event.

Ask any questions that you may have prior to doing handing back the Denner instructions to the Troop Competition Judge.

Event 103 Fire Building – DENNER INSTRUCTIONS: FIRE BUILDING COMPETITION

Welcome to Fire Building! Here you will demonstrate your skill in building a proper and effective fire.

1. You and your Patrol will be provided kindling, tinder and 3 stick matches.
2. You and your Patrol will build a proper fire from the materials provided and burn through a string at a height of 24 inches above the base of the fire building area.
3. This event is scored on Skill and Time. Proper fire building technique is required to obtain a good Skill score. Just piling up a wad of tinder and lighting it and burning through the string will result in a very low Skill score.
4. Only the bottom of the fire may be light with the matches provided.
5. ONLY the kindling wood provided may used.
6. NO pocket knives or tools of any kind may be used and NO fire starter may be used.
7. Only one Patrol member may hold or light a match at a time.
8. The clock will start after you have read these instructions to your Patrol.
9. You have completed this event when you have successfully either burned through the string with your fire or when (12) minutes have passed, whichever comes first.

Ask any questions that you may have prior to doing handing back the Denner instructions to the Troop Competition Judge. We can't help you learn how to build a fire now, but would be happy to help you after your turn.
