### PROGRAM OVERVIEW AND OBJECTIVES

- **WHO SHOULD ATTEND?**

- All Webelos who want to experience ahead of time the thrill of Boy Scouting at its finest.
- Webelos who want to get a jump start on Webelos advancement
- Webelos that enjoy the thrill of competition and Scout Spirit
- Webelos that want to experience camping in an environment filled with Scouts willing to lend a helping hand
- Webelos who would like to work hand in hand with Scouts on Scouting Skills, Competitions, and Scout Spirit!

- **WHAT IS CAMPERALL?**

Boy Scouts of America prides itself on being an organization which teaches young men valuable life skills and equips them with the abilities and opportunities to teach those skills to others, usually other boys who are younger or lower in Scout rank.

Camperall is one of the few opportunities that Boy Scouts have outside of their own troops, to practice their skills while teaching others. It also provides an opportunity for Webelos, their adult partners and Webelos leaders to meet Troops and become more familiar with which troops they might like to join. **Webelos Dens will be called "Patrols" at this event and should have a Patrol name for the event. The recommended size for Patrols is 6-8 Webelos as Camperall Staff believes this size affords individual Webelos the optimal experience and participation level during the Saturday events. You may combine your Webelos 1 and 2 Dens into one Patrol if you prefer.**

**CAMPERALL** is a two night campout tailored to Webelos and designed to ...

- Provide Webelos with a look at local Scout Troops in an interactive environment
- Give Webelos a glimpse of the fun and adventure that await them in Boy Scouts
- Enable Webelos learn and demonstrate Scouting skills
- Foster a positive and high-energy environment where Webelos can showcase their spirit

- **WHERE and WILL IT BE HELD?**

- Huntington Central Park, October 13-15 , See map on page 7.

- **HOW MUCH WILL IT COST?**

- \$25 if postmarked by October 2nd, 2017, \$30 postmarked after October 2nd, 2017

- **WHAT SHOULD WE BRING?**

- Page 6 of this package explains this ...

- **HOW SHOULD WE PREPARE?**

- Scout spirit is at the core of Camperall. Our theme this year is "**The Great Space Race - Blasting off to Eagle**". As Webelos participate in the weekend, they will have an opportunity to demonstrate their Scout spirit and Scout skills in a fun and competitive environment.
- Webelos will have a multiple opportunities to show their Scout Spirit beginning at Saturday morning's opening ceremony and continuing on through the Saturday night camp-wide awards and skit ceremony.
- Webelos Patrols will also show their Scout Spirit by performing their Patrol Yell(s) and by making and bringing a Den/Patrol Flag to Camperall. Guidelines for Patrol Yells and Flags are contained on page 8.
- Webelos will demonstrate their basic scouting skills in a variety of environments (first aid, knots, tent building, etc.). To compete at their highest levels, Webelos should arrive at Camperall with a good working knowledge of these skills for each competitive event. (See Competitive Event list on pages 9 through 14.) Training is available in the months prior to the event (upon request).
- At the Saturday night campfire, Webelos will be putting on skits. PLEASE SUBMIT YOUR SKIT SCRIPT TO Mr. Herpy for approval before or at the 1:00pm camp-wide assembly on Saturday. Skit submittal form is on page 15. You may email your skit choice to Mr. Herpy at any time prior to Camperall as well at [john.herpy@RainmakerEffect.org](mailto:john.herpy@RainmakerEffect.org)
