GOALS AND OUTCOMES

Our Theme this year is: **Mynion Magic**

Our Slogan this year is: **Mynions Make Good Scouts!**

WHAT IS CAMPERALL?

CAMPERALL is a TWO (2) NIGHT Camping Event tailored to Webelos and Arrow of Light Scouts (AOL) that is intended to:

- Expose participants to glimpses of FUN while enabling them to Learn and Demonstrate Scout Skills.
- Foster a POSITIVE high-energy environment where they can showcase their SCOUT SPIRIT!
- Aid in the Webelos/AOL-to-Scout Transition
- Provide an opportunity for Webelos and AOL Scouts, their Adult Partners and Leaders to meet local Troops in an interactive environment and become more familiar with Troops they might like to join.
- Allow parents to gain a perspective on Troop Programming.

The purpose of CAMPERALL is to create, in all Webelos and Arrow of Light Scouts, a genuine desire to pursue their adventure with Scouting America, and to give them a preview, through a series of fun-filled events, of the thrills of Scout Skills.

Camperall is an Outdoor Activity program. The weekend provides scouts the opportunity to share their skills and knowledge with cubscouts.

WHAT to EXPECT at CAMPERALL?

Participants will have an opportunity to demonstrate their SCOUT SPIRIT and Basic Scout Skills (First Aid, Knots, Tent Building, etc.). Webelos will be called "**Dens**" and AOL Scout Dens will be called "**Patrols**" and should have a Patrol Name. The recommended size for Patrols is **6-8 Webelos or AOLs**. In previous years, Camperall Staff has found this size affords individual Webelos and AOLs the Optimal Experience & Participation Level during the Saturday Competitive Events. If needed, leaders may combine Webelos and AOLs into one Patrol.

WHO SHOULD ATTEND?

ALL WEBELOS AND ARROW OF LIGHT CUB SCOUTS who want to:

- Get a jump start on Webelos and Arrow of Light ADVANCEMENT
- Experience and enjoy, ahead of time, the THRILL of Competition and SPIRIT of Scouting America
- Experience competition in an environment filled with Scouts willing to lend a helping hand
- Work hand in hand with Scouts on Scouting Skills, Competitions, and Scout Spirit!

REQUIRED ADULT REGISTRATION/CERTIFICATION

A minimum of two (2) Scouting America registered Leaders MUST with a **CURRENT SYT Certification** and having completed the AB 506 - California State Mandated Reporter Training (Further information at: <https://californiascouting.org/>) and the associated background check (Live Scan) must be in attendance for each unit. A minimum of one (1) of the Scouting America registered Leaders **MUST** be BALOO trained.

Cub Scout's parents or legal guardians taking part in an overnight Cub Scout program with their own child or legal ward are not required to register as leaders. All adults must review the "[How to Protect your Children from Child Abuse: A Parent's Guide](#)" that can be found in the front of each Cub Scout Handbook. In addition, the parent or legal guardian must be accompanied by a **Scouting America registered Leader** at any time they are with youth members other than their own child/ward.

Event 1: Scouting 101 (DENNER INSTRUCTIONS)

Welcome to the Scouting 101!

This event will test your knowledge of Scouting and over 100 years of Scouting history.

1. This event will be run Relay-Style. One at a time, your Patrol members will run from the start line to the question station and be asked a Scouting 101 question.
2. If the Patrol member answers the question correctly, he/she will run back to the end of the Patrol line and the next Patrol member will race to the question station.
3. If the Patrol member answers incorrectly, the scout will be asked to perform the "bat twist" (put their forehead on a bat and turn around three times) and then run back to the end of the line.
4. When one Patrol member finishes the course, the next member will begin racing.
5. Each Patrol will randomly be asked a set number of questions.
6. After the last question is asked and the last member of the Patrol has returned back to the Patrol, the entire Patrol will be asked one bonus question worth extra points for the event. The Patrol will be given 30 seconds to discuss and then the answer must be given.
7. The total number of correct answers will be tallied along (plus extra points for the bonus question) with the total time required to run the event.

Ask any questions that you may have BEFORE you hand back the Denner Instructions to the Troop Competition Judge.

Event 2: Fire Building (DENNER INSTRUCTIONS)

Welcome to Fire Building!

You and your Patrol will demonstrate your skill in building a proper and effective fire.

1. You and your Patrol will be provided kindling, tinder and 3 stick matches.

RACE TO THE MYNION

Welcome to Race to the Mynion!

Station 1: Gru's Blindfolded Laser Maze

This station is an inverted leadership test where youth act as the navigators and adults perform the physical challenge. It builds clear communication skills under pressure while keeping the tone light and humorous.

Station 2: Minion Knot Master & Despicable Rescue

Leader Briefing: This station tests adult proficiency in basic Scout craft (Square Knot and Bowline) under a timed relay constraint. It reinforces the importance of knot-tying as a practical rescue technique rather than a classroom exercise.

Station 3: Bob's Hydro-Relay

Leader Briefing: This is a classic, high-energy Minute to Win It water relay. It creates physical chaos and tests quick physical pacing while accommodating both adults and youth in a single line.

Station 4: The Great State & Capital Minion Puzzle

Leader Briefing: This is a mental teamwork challenge designed specifically for Webelos. It links local Scout knowledge and USA250 geography skills to solve an encrypted decipher code.

Station 5: Banana Spoon Speed Run

Leader Briefing: This is a pure physical agility and balance course for youth Scouts. It emphasizes precision and emotional composure over raw running speed.
